Dear Sir:

In response to the Restriction Requirement of November 27, 2002, Applicants elect Group I, Claims 1-3 and 20, drawn to a "shelf stable pasta or rice meal with sauce", with traverse. It is respectfully submitted that both Groups I and II can be searched without undue burden because the claims identified as Group II overlap significantly with the subject matter of Group I.

Early and favorable consideration of this application is respectfully requested.

Respectfully submitted,
